

G C G C D G
 Well I can't imagine what I'll do when the super ferry comes
 G C G C D G
 A tidal wave of tourist cars gonna get me on the run
 G C G C D G
 No matter what the season is, she'll be Kaua`i bound
 G C G C D G
 The honu and the humpback whales won't be sticking round

CHORUS #1

D C G
 Give me force five hurricanes and an earthquake too
 D C D D7
 But Linda don't ya sell us out with a boatload from the zoo

VERSE #2

We'd like to read the EIS if that's alright with you
 While we're sitting here in traffic jams, we got nothing else to do
 If it's money that you want from us to leave us all alone
 You've already got my first born child and you're working on my home

CHORUS #2

Oil in my surf break, and a dose of coqui slime
 Another branch of government drawing overtime

VERSE #3

Yes I know the rich need more than I, and the ferry brings a lot
 A second BMW parked on that beach front spot
 And I hope you don't think less of me for showing my concern
 But Kaua`i is our happy home, not the governor's to burn

CHORUS #3

We like our island lifestyle, with aloha in our smiles
 All our friends and family, would like to keep it for awhile

VERSE #4

If you want to make O`ahu grow than that's alright with me
 But I'll keep my growing to the garden, and raise me up a tree
 I'm sure you know what's best for us out here in paradise
 But we'd rather make our way alone and live a better life

C D G
 And live a better life
 C D G
 And live a better life.

THE SUPERFERRY SONG
recorded by ENUF ALREADY

We are "Enuf Already", a grass roots group of parents, children, business people, teachers and students who came together and expressed our feelings about Hawai`i's super ferry. We are residents of Kaua`i, and plan on staying. The problems associated with introducing massive volumes of traffic onto our limited infrastructure generated our thoughts. However, it's just the tip of the iceberg coming our way, against our wishes. We are in solidarity with the People and the county governments of Kaua`i, Maui and The Big Island of Hawai`i.
